Beschrijving

The lightweight, sporty earphones from SoundLAB are designed with active users in mind. Featuring a flexible, ergonomically-shaped neckband that is designed to be worn behind the head across the neck, these earphones also have a soft padded in-ear cushion for maximum comfort and a great fit on all users. The Neckband Sport Earphones feature a 1.2 m single-sided, heavy duty cord ending in a 3.5 mm stereo jack to fit most popular CD/MP3 Players.
