Beschrijving

HDMI® Micro to VGA adapter/converter actively converts an HDMI® Micro video signal from your smartphone, Ultrabook, or tablet PC onto a VGA projector, or display.

The HDMI Micro/VGA adapter supports video resolutions up to full 1080p, making it a convenient option for high-definition applications, and features a compact design with no external power source, which ensures a portable solution that's easy to carry as an accessory.

Backed by a StarTech.com 2-year warranty and free lifetime technical support.

Simple plug and play adapter, for a quick and hassle-free setup

Compact design with no need for an external power adapter ensures a portable solution with a minimal footprint
