- ESD safe

**Technical Specifications**

- Dimensions: 273x235x102mm
- Mains Supply Voltage: 230V/50Hz
- Safety Class: I & III
- Pump, Periodic Duty: 30/30s

Pump, Vacuum, Max.: 0,7bar  
Delivery Rate, Max.: 18l/min.  
Hot Air, Max.: 10min.  
Temperature Control Range of Channels: +50...+550°C  
Desoldering Iron DSX80: +50...+450°C  
Soldering Iron WP80: +50...+450°:  
Soldering iron WP80 80W with LTB soldering tip  
Safety rest WDH10T with Stop&Go function  
Desoldering iron DSX80 80W/24V with DX 113HM desoldering nozzle  
Safety rest WDH30
