Beschrijving

When you need additional power amplification to power more speakers in a system this great quality Booster Amplifier is compatible with all amplifiers in the Eagle Public Address range and any other pieces of equipment with a line level output. Fan assisted cooling maximises reliability and a switchable input sensitivity to enable correct interface with different equipment.

- Sensitivity selector switch
- Colour Black
- Dimensions (mm) 88x425x305
- Weight (kg) 8.2
- DC Input (V) 24
- Power Input 230 V AC @ 50 Hz
- Power RMS (W) 240
- Frequency Response (Hz) 50Hz 15KHz $\pm$ 3dB
- Outputs 100 V/70 V/8 Ohm
- Auxillary Input Sensitivity selectable (100 mV/1 V)
- THD 1% @ 1kHz
- Output 240 W 100 V

Artikelnummer	PAB6240E
Merk	EAGLE
