Beschrijving

The FANTEC MR-U3-6G is a compact DOCKING STATION for the installation of a 6.35 cm (2.5") & 8.89 cm (3.5") SATA I/II/III hard drive or SSD. With full SATA III 6G support and the new UASP transfer Protocol, it can reach up to 70% more

speed than conventional USB 3.0. Due to the quick and easy installation with plug and play the hard drive case is ready to use within seconds. Screwless and carrierfree design for easy and fast HDD exchange. Rugged design and metal added baseplate for high stability.

Suitable for 6.35" (2.5") & 8,89cm (3.5") SATA I/II/III hard drives and SSDs

USB 3.0 interface for high data transfer up to 5Gbps

supports SATA III 6G with the new UASP standard
