Beschrijving

Features

- High-quality Stainless steel housing
- Highly durable ceramic actuator with homogeneous illumination
- Vandal-proof according to IP69K
- For use in harsh environment
- High-quality design
- Reliable tactile feedback of input

Technical Specifications

Material	
Housing:	Stainless Steel
Actuator:	Ceramic
Contacts:	Silver-plated
Switching Voltage, Max.:	250V AC
Switching Current, Max.:	3A, 250V AC/5A, 125V AC

Switching Capacity, Max.:	1250W
Contact Resistance:	<30mOhm
Insulation Resistance:	<100MOhm
NO Pulse Time:	<5ms
Operating Force:	4,5N
Operating Path:	1,0mm
Operating Life/Cycles at Rated Switching Capacity:	50x10 ³
Temperature Range:	-25...+85°C
Protection Class	
Front Side Contact Area to DIN 40050:	IP69K
Rear Side Contact Area:	IP40

Productinformatie

Artikelnummer	MSMCS19-BL
Merk	SCHURTER
