Beschrijving

Tecsun PL-310ET is a DSP (Digital Signal Processing) multi-band portable radio. It uses DSP 4734 micro-chips (from Silicon Labs in USA) to digitalize the analog MW / FM / SW broadcasting signal base through modern software technology and radio principles. It greatly improves the radio's sensitivity, selectivity, S/N ratio and anti-interference.

Compared to its predecessor, PL-310, it is equipped with Easy Tuning Mode (ETM), Tecsun's own designed tuning method. ETM provides the user the possibility to auto-scan for new radio stations, without replacing stations that are already stored into the radio's memory. ETM is an ideal feature for users who listen to radio broadcastings at various locations.

Frequency Range:

FM range selectable:

- 64 - 108MHz
- 76 - 108MHz
- 87 - 108MHz

MW (AM) range selectable:

- 522 - 1620kHz (9kHz steps)
- 520 - 1710kHz (10kHz steps)
- LW: 153KHz - 513KHz
- SW: 2300KHz - 21950KHz.

Tuning Methods:

Easy Tuning Mode (ETM): auto-scan for newradio stations, without replacing existing stored memories. Newly foundstations will be temporarily stored into the ETM memory.

- Auto Tuning Storage (ATS) for FM / MW / LW/SW
- Jog dial manual Tuning
- Direct keypad frequency entry

Basic Features:

Multi-functional Digital Display shows:

- Frequency
- Signal strength
- S/N ratio
- Clock& Alarm (12/24 hour format)
- Temperature(°C or °F)
- Battery consumption
- LCD display screen
- 500 preset memories (100 memories for each MW / FM and LW, 200 memories for SW)
- Alarm by radio or 'buzz',and with the automatically alarm stopper within 1 - 90 minutes
- Sleep timer (1 - 120 minutes)
- FM Mono & Stereo
- Light & snooze function –5 minutes, repeated three times
- Keylock function
- Volume with 30 sound levels
- Back stand
- Earphone jack
- FM & SW antenna jack
- Built-in charging system to charge Ni-MH rechargeable battery(not included)
- Power supply: USB 5V/250mAexternal adaptor (not included) / 3pcs AA size batteries (not included)
- Unit size: 135 x 83 x 27 mm (L x H x W)

Original accessories:

- 1pc stereo earphone
- 1pc carrying pouch
- English manual

Specification:

Noise Limit Sensitivity

- FM <3uV
- MW <1mV/m
- LM< 10mV/m
- SW< 18uV

AM IF bandwidth

- 1,2, 3, 4, 6KHz

Productinformatie

Artikelnummer	PL310ET
Merk	TECSUN
