QuickConnect Stainless Steel Ratchet Rail Mount

Versatile four-way ratchet action and fast-release handle design for quick and easy laydown. For rail mounting of QuickConnect antennas on 1" (25.4mm) to 1½" (38.1mm) vertical, horizontal or angled rails.

- QuickConnect: Easy removal of an antenna without the hassle of re-installing cables
- Thread: 1" -14
- Water and dust protection cap: Stays fastened to mount to prevent it from getting lost
- Centerpin® PL-259 Connector: Included for easy solder-free installation
- Handles antennas up to 8' (2.4m)
- Stainless steel

Note: To be used with QuickConnect antennas only.

Style QCM-SR

- Construction: stainless steel
- Mount type: rail
- Coax Supplied: 20ft (6.09m) of RG-58
- Connector Supplied: Centerpin® Crimp-on type PL-259
