

TRIPLE-AXIS ACCELEROMETER 2/4/8/16G

€ 6,95

Excl. BTW: € 5,74

Afbeeldingen

Beschrijving

Wide power supply voltage of 1.71 V to 3.6 V

Independent IO power supply (1.8 V) and the power supply voltage compatible

Ultra-low power consumption of plus or minus 2 g / + / + 6 g / 4 g + 8 g / + 16 grams of dynamic optional full scale

IIC/SPI digital output interface

16 bit data output

A programmable embedded state machine

Embedded temperature sensor

Built-in self test

An embedded fifo

10000 g high impact ability
