## Beschrijving

This Cable Management Kit provides a hidden storage space for those messy, unattractive electrical cables and cords in the home or office. It has a slim and sleek design, the white finish makes it suitable for display on most walls. The channels can be painted to match the colour of a given wall (Paint not supplied). Each individual cable housing channel offers ample space to house a number of cables. Includes:

- 4 x 800mm straight cable management strips
- 4 x 200mm straight cable management strips
- 3 x Extension Covers
- 1 x Inner Corner Cover
- 1 x Outer Corner Cover
- 1 x T Extension Cover
- 1 x Angled Cover

- Designed for TV's, Computer Cables and most electrical cables
- Easy to install
- Suitable for home or office use
- Simply peel off adhesive strip to apply to walls
