Beschrijving

When you need additional power amplification to power more speakers in a system this great quality Booster Amplifier is compatible with all amplifiers in the Eagle Public Address range and any other pieces of equipment with a line level output. Fan assisted cooling maximises reliability and a switchable input sensitivity to enable correct interface with different equipment.

Sensitivity selector switch

Colour Black

Dimensions (mm) 88x425x305

Weight (kg) 8.2

DC Input (V) 24

Power Input 230 V AC @ 50 Hz

Power RMS (W) 120

Frequency Response (Hz) 50Hz 15KHz $\pm$ 3dB

Outputs 100 V/70 V/8 Ohm

Auxillary Input Sensitivity selectable (100 mV/1 V)

THD 1% @ 1kHz

Output 240 W 100 V

Artikelnummer	PAB612OE
Merk	EAGLE
