

2U VERSTERKER POWER MOSFET 2X200W RMS 4OHM

Afbeeldingen

Beschrijving

The DAP HP Series consists of 5 models, representing output powers from stereo 200W until 1400W RMS at 4 ohms. All including the best protection circuits, built in a strong solid housing with forced air-cooling to achieve many years of reliable power. They are the best mobile choice for musicians, DJs, and entertainers but also perfect for installations in discos, pubs or any kind of public areas.

The HP-500 and HP-900 are ideal for pubs, bars, and parties. These class AB power amps deliver enough output to make everyone sing along and dance to their favorite tunes.

- Full protection circuits
- Efficient forced air cooling
- Stereo & Bridge mode

Not Allowed
