MOTOROLA SYMBOL LS2208 BARCODE SCANNER KIT (USB AND STAND) - COLOR: TWILIGHT BLACK

The innovative LS 2200 Series of handheld scanners from Symbol Technologies delivers performance features at an affordable price to make your buying decision easier than ever. If you are seeking investment protection in a scanner that's small and light enough for maximum productivity, then the LS 2200 Series is the ideal scanner for you.

Hands-free stand (optional) - Enables presentation scanning and easy switching between hands-free and handheld modes

Multiple interfaces on-board - Ensures flexible connectivity, allowing for host future proofing

Reduced Space Symbology (RSS) - Helps you leverage your hardware investment

Scan element based on LIM technology - Durability you can count on with a lifetime warranty

Universal cables for sharing - Allows for easy replacement and/or upgrades

Working range: contact to 17 in./43 cm on 100 percent UPC - Improves user productivity

Bright LED and beeper with adjustable volume - Multiple modes of confirmation ensure positive user feedback

Ergonomic design - Reduces user fatigue with sleek, balanced form

Fast performance - Reads 100 scans per second

Flash memory - Facilitates updates/customization of product in the field

Global Trade Item Number (GTIN) Compliant - Capable of decoding and transmitting 14-digit GTINs where appropriate

Advanced Data Formatting (ADF) enables users to modify data prior to sending to host computer - Eliminates costly modifications to the host software
