

AFGESCHERMD 2X0.03MM2 1,7MM ROND ZWART

€ 2,65

Excl. BTW: € 2,19

## Afbeeldingen

## Beschrijving

Model: UL2851 32AWG 2core  
protection, high purity, tin-plated oxygen-free copper wire and twisted wire (transmission is better and more stable)

Inflammability: UL: VW-1, FT1, Electrical Appliance Safety Law: -F-  
Insulation: PVC  
rated temperature: 80 degrees  
rated voltage: 300 V  
External diameter: 2.0mm  
Specification: inner core conductor 7/0.11TS. Shield wire: 45/0.10TS  
Standard: UL international standard, can provide UL RoHS certification
