**Afbeeldingen****Beschrijving**

The Wouxun KG-D26 Work PRO package is a set with 6 radios, 6 ear-microphones and a hard case.

The Wouxun KG-D26 dPMR is fully compatible, analog and digital, with the Kenwood TK-3401D, TK-3601D and TK-3701D series. The hidden display is integrated in the strong radio body, which prevent it from damaging. It will clearly show you the: Channel number, Analogue / digital mode, Current zone, High / low power, Narrow / wide bandwidth, Battery status, Signal status, VOX indicator, DCS/CTCSS indicator and Time slot 1 / 2 indicator.

- Number of channels: 16
- Number of zones: 99 programmable (3 zones preprogrammed)
- Output power: 0.5 / 6 Watt
- Channel spacing analogue: 12.5 kHz
- Channel spacing digital: 6.25 kHz
- Call alert: Yes
- Key lock: Yes
- Programmable function keys: Yes
- PC programming: Yes
- Display: Yes
- Display colors: Green
- High/low power: Yes
- Battery capacity: Li-ion 2000 mAh
- Accessory connector: 2-pin Kenwood connector (K)
- Voice guide: English and Chinese
- VOX function: Yes, activation by software
- Scan function: Yes, activation by software
- Flasligh: Yes
- RX group list: 32 groups, 8 members per group
- Scanning list: 16 groups, 16 channels per group

**Electrical data (ear-microphone)**

- **Speaker size:** 16 mm
- **Sound pressure level:** 90 dB ±3 dB
- **Impedance speaker:** 90 Ohm ±10%
- **Audio output speaker:** 100 mW
- **Size microphone:** 9.7 x 5.0 mm
- **Impedance speaker:** 90 Ohm ±10%

- Frequency response: 20 - 16000 Hz
- Sensitivity microphone: -36 dB ± 2 dB
- Impedance microphone: 2.2K Ohm

## Features (hard case)

- Pre-cut foam for radios: Yes
- Pre-cut foam for radios: 2
- Number of radios: 6
- Removable top foam layer: Yes
- Shock-resistant: Yes
- Waterproof: Yes
- Padlock hole(s): Yes

## Mechanical data (hard case)

- Materials: PVC and foam
- Length: 515 mm
- Height: 415 mm
- Width: 200 mm
- Weight: 4400 gram
- Color: Black

## Mechanical data (radio)

- Length: 53 mm
- Height: 245 mm
- Width: 33 mm
- Weight: 245 gram
- Antenna connector: SMA male
- Operating voltage: 7.5V DC +/- 20%
- Battery life: Battery save off: 24 hours, battery save on: 30 hours (5% transmit, 5% receive, 90% standby)
