Beschrijving

2-way compact speakers in a sturdy plastic housing (white), fitted with one 16 cm woofer and one tweeter providing broad frequency response. Well suited for music and voices. Universally applicable to professional PA or in the home. Can be run as a 100 V system or as 8 ohm units due to an integrated transformer. 100 V transformer and 8 ohm mode are selected using a knob. Swivelling fixing bracket allows the speakers to be mounted horizontally or vertically, as required, and the housing is equipped with a threaded hole for attaching to a bracket or swivelling arm.

Typical applications:

- Conference facilities
- Multimedia
- Outdoor use

Attributes:

- UV-resistant
- 100 V transformer
- Weather-proof plastic cabinet
- Plastic: ABS (UL 94: HB)
