

HSI CHIPSET COOLER PASSIVE

€ 3,39

Excl. BTW: € 2,80

Afbeeldingen

Beschrijving

1. Must only be used for HSI Chipset cooling.
2. Compatible with GeForce 6600/6600GT AGP Series and/or HSI Chipset with heatsink mounting holes that are 43mm apart.
3. Performs optimally with Zalman's VF700 VGA Cooler.
4. If there is interference between the heatsink and VGA card's components, do not install the heatsink.
