

## USB 2.0 HUB 4 POORTS 3,5" INTERN

€ 12,95

Excl. BTW: € 10,70

### Afbeeldingen

### Beschrijving

The USB 2.0 Hi-Speed hub 4x for the 3.5" slot provides connectivity for up to 4 devices. The device doesn't need a PC-slot. Power supply is provided by the included power adapter cable. The hub is connected via the 100cm USB-cable to an existing USB-port of the PC. The big advantage lies in the possibility to connect the max. 4 devices on the front side of the PC. This saves you from \"crawling behind the PC\" .

delivery contents: 1x USB 2.0 Hi-Speed Hub 4x

5x mounting screws

1x slot cover to bring the USB cable outward

1x USB 2.0 cable for connection to the existing USB controller

1x 12Volt adapter-cable
